May 2023

**COVID-19:** This information is based on proceeding 'as normal' - everything is subject to change.

### Dear Parents and Students:

Welcome to the 2023 Spartan Marching Band! We'd like to tell you about several exciting events coming up before school starts:

### Band Camp 2023: Monday, July 24th - 28th

Our 2023 Band Camp will be a week-long home camp. We encourage all Marching Band students to attend the annual kick-off to each new Marching Band season - an opportunity for new Marching Band members to make friends and become part of our "band family". Everyone learns or reviews skills required for success in Marching Band, and we begin learning the music and the show. Activities include marching, music and color guard rehearsals, team building, and games.

**Student Orientation:** Band Camp will conclude before the MVHS Student Orientation. Students will be able participate fully in both.

**Please Doante:** All interested students may participate in Marching Band, regardless of their family's ability to contribute financially. However, without generous contributions from most of our families, we wouldn't be able to continue this program with the success we now enjoy. You can make these contributions by check made out to "MVHS Instrumental Music".

## **Why Join Band?**

...Imagine going to a new school and not knowing anything about where to go, or who to talk to. The transition from middle school to high school is easier for band students because you will have many friends to help you through this process. Incoming band freshmen have immediate contact with upperclassmen, in a big brother/big sister kind of way. High school band is very healthy for students in a multitude of ways.

## **In The Arts**

...Music has a profound effect on the academic success of the student. Band is a group effort. Members are required to shift from an *I/Me* reasoning to a *We/Us* concept. This means extending oneself beyond the normal considerations of much of our day-to-day living. Instead of the logic being “What's in it for me?” it becomes, “What's in it for us?” The values of cooperation, communication, concentration, correlation and completion come into play each rehearsal and performance.

Music is one of the few academic disciplines that require the student to master skills and apply them in performance. In other words, music involves multiple forms of learning. Band builds positive self-worth. Although we share many similarities with our athletic counterparts, band is a place for everyone. Rarely is a person serving as an alternate or substitute. Everyone in the band plays a starting role.

## **Some Additional FAQs**

### **Q: Will Marching Band fit in a rigorous academic/athletic schedule?**

A: Yes! We have students who are planning to enter all fields in college. The class schedule at Mountain View High School is made to allow these students to take a full schedule of classes (including AP) and play in one of the bands during all four years. We work together with Fall Sports and have made everything work (except Football).

### **Q: How good do I have to be?**

A: All students are welcome to join the band program. Yes, even beginners!

### **Q: Will band and time commitment adversely affect my grades?**

A: Whether you are in activities or not, at Mountain View High School, good grades are dependent upon having a good work ethic and good time management skills. If you are conscientious and organized, band, or any other activity, will not adversely affect your grades. If you are not conscientious and organized, grades will be a problem at Mountain View HS, even with no additional activities! The bands' schedules have been carefully developed to work with the school's academic demands. In fact, many of the school's top scholars are in band.
