

# MVHS INSTRUMENTAL MUSIC

Some exciting things are happening in our program.  
Take a look below to learn more!

## Football's Home Opener Was A Bright One!

Last Thursday, March 18th, our Spartan Football team had their home opener under the brand new stadium lights with a huge victory against Santa Clara 40-7! Members of our Wind Ensemble recorded their parts to the National Anthem and senior, Archish Arun, edited the final product. Coach Smith and Chris Dickerson enthusiastically played the recording over the sound system. While it was different than the band being in the stands, there was still some unexplainable magic to it all. We are very proud of our musicians' leap of faith and taking a last minute risk in order to contribute to the school spirit. While we understand that county guidelines are quickly changing, we are prioritizing planning for our curriculum-based ensembles' return in April at this time. We are so glad to continue to be a part of the school culture and foster a great partnership with the MVHS athletics.

## This Saturday 7:00pm - Virtual Pops Concert!

This Saturday is our 2021 Virtual Pops Concert! Featuring music from movies and Broadway classics! Tune in at 7:00pm to see our students' performances. ## Questions About Hybrid Return?

We can help! Although we do not have all the details of what the return on April 19th will look like for the school at large (that is up to the admin to complete and distribute info) we CAN tell you what the experience will be like for students in Instrumental Music. An email was sent Thursday evening, March 25th, painting a picture of what Music will look like in this new model. *The details outlined are subject to change.* Please reach out to us if you have any questions and we will do our best to answer them, or direct you to someone who can.
