

MVHS ORCHESTRAS

Chamber Orchestra - String Orchestras - Exploring Music

Orchestra Informance Was A Hit!

Thank you to all who attended our Orchestra Informance- whether in person or viewing our live stream from home! The String Orchestras demonstrated our daily rehearsal routines and Chamber Orchestra performed a medley from Pirates of the Caribbean. If you missed the concert, you can visit this link to watch a recording: <https://youtu.be/j9PvDTwXWFA>

Additionally, if you did not receive a hardcopy of the Orchestra Handbook, please contact Anna Linde. We also have Spanish versions available. We look forward to showcasing more music at our Fall concert on Thursday, October 14th. Stay tuned for details!

Students- Be Part of Something Big!

I invite you to consider joining Spartan Sound! Spartan Sound is a Pep Band spirit group consisting of wind and percussion instruments that performs at our home Varsity Football Games, pep rallies, and other sporting events. In 2019, Spartan Sound grew tremendously and we had an excellent group representing our music program and contributing to school spirit! We love supporting athletics and this year, we are playing under our brand new stadium lights! No experience is necessary to join. In the past we have had many string musicians learn how to play wind or percussion instruments- you can too! It's so fun to be a part of the *Friday Night Lights* energy and a great way to make new friends. If you'd like to join or learn more, reach out to Anna Linde. Rehearsals are on Wednesdays from 3:15pm-4:30pm and our next game is Friday, September 17th. Call time is 6:00pm! We would love to have you.

Have a wonderful weekend, everyone!
