

MVHS INSTRUMENTAL MUSIC

Final Sprint to the End!

Hybrid Return

It was an exciting week at Mountain View High. For the first time in over a year, students were welcomed back on campus for in-person instruction. For instrumental music, this meant trying out an experimental way to rehearse our ensembles. With half of our students on campus and the other half on Zoom, we tested a hybrid rehearsal. The "roomies" played their instruments live, while the "zoomies" played along at home. While far from ideal, our students did an amazing job. It will take some getting used to, but it was great to hear our students playing as a group once again. We are grateful for the enthusiasm and dedication our students have shown this past year. We look forward to ending this school year the very best way we can.
