

MVHS INSTRUMENTAL MUSIC

Here are the latest happenings in our program!

Introducing Our Virtual Performance Production Team!

We are thrilled to share that Anna and Ricky will be working with a team of four Alumni as our resident audio and video editors this semester. Zakriya Bashir-Hill, Camille Shiu, Andrew Daetz, and David Peters, join us with a wealth of knowledge and enthusiasm to continue to support their Alma Mater- all were heavily involved in Instrumental Music! We have met as a team to discuss the vision and logistics and the directors will continue to work closely with Zak, Camille, Andrew, and David throughout the editing process. Our first round of final video and audio submissions for the majority of our Pops Concert repertoire will be due for students next week. It has been a joy to observe our students' progress and they have been working hard to learn a lot of new music in a short amount of time.

Reminder: Registration for the 21/22 School Year Closes February 12

Audition information coming soon!

Registration is open for the 21/22 school year is now live on Aeries. It is important that you register for one band/orchestra class for next year. Once auditions are completed, Anna and Ricky will place the students in the appropriate ensemble. For our eighth period offerings (Marching Band, Winter Aux, Jazz Ensemble, Symphony Orchestra), please register for all classes you are interested in. If you have any questions about next year's classes, don't hesitate to contact either director.

Additionally, the directors and some student leaders had the opportunity to meet with prospective students and families at our Electives Info Night, as well as a visit to Mr. Lewis', Mr. Cassell's, and Ms. Chiao's zoom classes.
